Dominique Lacroix

Horse-drawn carriage rides

“

I intend to create meaning and social links by mingling different publics and generations thanks to the horse. Active in numerous social and associative projects, I also take the local children to school in my carriage.

His commitments

- Create an educational garden dedicated to permaculture
- Install biodiversity refuges and birdhouses
- Produce energy with solar panels
- Inform his visitors of local producers
- Organise rides for people facing various difficulties
